General No. 4/6

Submitting reports on the subject of converting the old Travellers Bungalow building at Kingeradj Chattra, Mandya Taluk, into a Police Station.

Note.

There has been a delay of 2½ years in replying to a very simple reference. From the little experience that I have had this is always the case in regard to information of any kind wanted about the French rocks Institution. The Dr Commr says the papers were mislaid in this case. They refer to the question whether the Travellers Bungalow in Mandya should not be converted into a Police Station ~~which is now located~~. The Dr Commr reports that the Bungalow is not suited for the purpose & that the present locality is best under all circumstances

Sir,

In reply to your docket no 13902/828 dated 9th March 1891 on the subject of converting the old Travellers Banga-low building at Lingaraj Chattra Mandya Taluk into a Police station, I have the honor to state that from the Mandya Amildar's report no 101 dated 9 August addressed to the Sub Division Officer Seringapatam, it will be seen that the bungalow in question is not suited for a Police station and that the present station house is more convenient. The petitioner Subbiaya referred to in the above docket died 3 years ago and his nephew Govindoo Row has agreed

to the proposal made by his late uncle of maintaining the building or Chauttah for the use of travellers and he is reported to be capable of doing so -

2. The delay in replying to this Communication is due to the fact that fresh information had to be called for from the Sub Division Officer French Rocks as the correspondence on the subject had been mislaid.

The file of vernacular papers ending with French Rocks Sub Division Officer's Yadi no 253 dated 20 August is herewith submitted for reference and kind return.

Sir:—

With reference to your docket No: 520 dated 26th September last regarding the sale of the old Travellers Bungalow at Lingraj Chabra in the Kundaya Taluk, I have the honor to state that in the sale held by the Amildar the building has fetched Rupees 201. The sale records received with Kundaya Amildar's report No: 811 dated the 10th instant are herewith

Submitted. J/K

Herewith that one Runga Rao has put in a petition protesting against the sale of the building and asserting his right to it. It appears that on a previous occasion the building was ordered to be sold, and upon a representation from the present petitioner's father the Diwan has ordered the sale to be kept in abeyance. A report has been submitted on the subject vide this office docket No: 395 dated 19th July 1887. Under these circumstances I think the building cannot be sold before the petitioner's claim is disposed of.
